

ITC Cyber Security Breakfast #8

Understand and manage the growing complexity of cyber threats

Guidance on what to do if you do suffer a cyber incident

Wednesday 18th September 2019 - 8.30am to 10am
The Garden Room at The Ivy City Garden,
Dashwood House, 69 Old Broad St, London, EC2M 1QS

The 8th ITC cyber breakfast will focus once again on the current and hot cyber topics and how you should manage your risk. Additionally, this session will also include some invaluable and straightforward advice on the immediate steps needed if (and when) that cyber incident occurs.

If the worst case happens, do you really know what to do?

It's a short session, with a great breakfast. Why not come along, listen to industry leading cyber experts, get some clear advice on how to build a security culture, get ROI on your cyber investment and develop best practice in cyber incident planning.

Please RSVP to marketing@itcsecure.com to confirm attendance and inform us of any dietary requirements.
